**Subject:** Birthing Outcome done but can't complete EPDS and then D/C

Hi Carrie,  
Another common scenario...our Education Coordinator was able to complete the Birthing Outcome and scheduled a Post Partum appointment to complete the EPDS but the client hasn't responded. I can't get past the EPDS, it won't let me select 'Client Left Before Delivery' because the Outcome was completed. I can't D/C her because the EPDS form has to be done.

Ideas?

Thank you!
